From: ProCare Rx
Date: April 1, 2017
Subject: 1st Quarter Important Announcements

Effective immediately, the following products has been added to the Jai formulary:

- Thiamine
- Stiolto

Important Notice

Effective May 15, 2017, prior authorization will be required for all new treatments with long-acting opioids (including MS Contin), fentanyl, methadone for pain, or prescriptions above 90 MME daily.

Members currently receiving these medications from Jai Medical Systems will be able to continue treatment until June 30, 2017, but will require prior authorization after that date.

Prior authorization requests must be on the opioid analgesic prior authorization form, available online at <http://www.jaimedicalsystems.com/providers/pharmacy/> or by contacting Jai Medical Systems Managed Care Organization, Inc. at 1-888-524-1999 or ProCare Rx at 1-800-213-5640 to request a copy.

Providers can contact ProCare's Prior-Authorization Department at 800-555-8513 for assistance with PA requests or questions regarding clinical guidelines. Our PA Department is available Monday through Friday from 8:30 am-5:30 pm EST. For assistance with PA requests during non-business hours please contact our 24 hour customer service department at 800-213-5640.
