Re: Preferred Agents – Hepatitis C

Effective June 18, 2017, Jai Medical Systems' preferred agents for Hepatitis C treatment are presented below:

<u>Genotype</u>	<u>Preferred Agent</u>
1 (subtypes a & b)	Zepatier
2	Epclusa
3	Epclusa
4	Zepatier
5	Epclusa
6	Epclusa

Jai Medical Systems utilizes the clinical criteria specified by the Maryland Department of Health and Mental Hygiene for Hepatitis C treatment. Non-preferred medications are also available.
