

To: Jai Medical Providers
From: ProCare Rx
Date: October 1, 2018
Subject: 3rd Quarter Important Announcements

Effective immediately, Jai Medical Systems made Mavyret it's ONLY preferred treatment for Hepatitis C. Jai Medical Systems will continue to use the clinical criteria from Maryland Medicaid when approving treatment, but patients must be ineligible for the preferred treatment before a non-preferred treatment will be approved. Until October 30, 2018, requests for the previously preferred treatments Zepatier and Epclusa will still be reviewed without needing to establish ineligibility of Mavyret.

Effective immediately, Acyclovir suspension has been added to the formulary with the following prior authorization criteria:

GENERIC: ACYCLOVIR ORAL SUSPENSION

BRAND: ZOVIRAX®

INDICATIONS:

- (1) Herpes genitalis
- (2) Oral herpes infection

Criteria:

- (a) Patient is < 17 years of age; **or**
- (b) Unable to ingest solid dosage form (e.g. capsules) due to dysphagia

Providers can contact ProCare's Prior-Authorization Department at 800-555-8513 for assistance with PA requests or questions regarding clinical guidelines. Our PA Department is available Monday through Friday from 8:30 am-5:30 pm EST. For assistance with PA requests during non-business hours please contact our 24 hour customer service department at 800-213-5640.
